Bridget's training is best described as old school meets new school. Her training is always evolving to take it to the next level. Understanding your dog will be an emphasis of the weekend. Bridget will demonstrate how she reads a dog. She will help recognize your dog's strengths and weaknesses. You will learn that all dogs are situational. Her philosophy on corrections and why they work will be explained.

Past seminar attendee Laura Romanik (*Top Sheltie trainer and part of the team to earn the first OTCH on a beagle*) says, "One of the best seminars that I have attended...her techniques are based on sound behavioral principles... she shows how to train for carry over in the ring"

Steve and Joy Pool (*AKC judges and top handlers with multiple OTCH titles*) said "Bridget effectively showed how game playing can evolve into a happy energetic working show dog."
